It has been quite a year at Common Cycle! As we approach our 10 year anniversary in February 2020, we have a lot to celebrate: our move to a new physical coop space last summer, expanded open shop programming, new and exciting partnerships, and, of course, getting more butts on bikes and keeping folks rolling.

Not only can we learn to better take care of our bikes but we can learn in a low-stress environment and build community at the same time.

-Maggie Ho, Fall Maintenance Course

I've learned to fix problems with my bike...and it's incredibly empowering to go for a ride without worrying that I'll be stranded.

-Evie Henry, Bike Month Repair Pop-Up

### Some of our favorite events included:

- Women/Trans/Femme Community Repair Nights
- Six-week maintenance courses
- Winter cycling workshop collab with Ann Arbor Library
- NAACP Juneteenth Event
- Tweed Ride collab with Bike-In
- William St Bike Lane opening
- Cranksgiving collab with Food Gatherers

To celebrate our 10 year anniversary, we're fundraising:

**\$10,000**
